Submits proposals for revision of the Scale of pay of Ochor Mutsaddy, Maker Miscellaneous from Rs 15/- to Rs 15 to 20

The incumbent has been working as Ochor Mutsaddy on Rs 15/- from 20 7 36 until the Ochor establishment was converted with effect from 24 10 40 when he was conferred in GO no L3020-1/Rel 29-40-18 dated 24 10 40 (Flag P) The present proposal is to give him the revised Rate of Rs 15 / 20

The DC states that the present months cost of the Ochor establishment is Rs 25/- and that by the present proposal the cost would work out to Rs 28 12-0 per month, involving an increase of 12% of the average total income under Ochor which he opines is very small. Sir,

In forwarding herewith the file of correspondence ending with the Kolar Sub Division Officer's Memo No A R1 C 139/43 dated 12-8-43 rel the proposal to revise the scale of pay of the Octroi Mutsaddi from Rs 15/- to Rs 15-1-20 and to confer the benefit of the revision to the existing incumbent viz , K Ramachandra Rao, in the Malur Minor Municipality, I have the honour to state that the official having represented that he has been without promotion fro a long time and that he may be provided in grade 15-1-20, the Municipal Council have, in view of the efficient work turned out by the official, resolved to revise the scale of pay of the Octroi Mutsaddi from Rs 15/- to 15-1-20 and to confer the benefit of revisio n on him From the Octroi Revenue realised in this Municipality during the last three years (vide statement enclosed in the records) it is seen it has considerably improved during the year 42-43 while there was a slight improvement also during the year 41-42 From the service register of the official enclosed in the records it is seen that his service is about 11 years and that he has been in the present capacity for over seven years all the while drawing Rs 15/- per month The proposal of the Municipal Council to concede the representation of the official is fully justified

2 The Municipality has the marginal scale of establishment for Octroi work at present, the monthly expenditure being Rs 25/- per month therefor By the proposal for revisior the monthly expenditure on account of the octroi establishment would work out to Rs 28-12-0 per month involving an increase of 1 2% of average income under octroi which is very small The council have made provision for the pay of the Octroi Mutsaddi on Rs 16/- per month in their Budget estimates for 43-44 which have since been

1 One Mutsaddi on Rs 15/- per month
2 One peon on Rs 10/- per month

since been sanctioned in this office.

3 In these circumstances, I recommend that sanction of Government may kindly be obtained to the proposal of the Council to revise the scale and to confer its benefit to the existing incumbent with effect from 1-7-1943
